## KACHEA Code of Conduct

Since KACHEA doesn't receive public funding, as a Christian organization we have the right to deny or revoke membership to any member that can't agree with the following Code of Conduct.

We believe in God's plan. Human sexuality is to be expressed only within the context of marriage. God created man and woman as unique biological persons made to complete each other. God instituted monogamous marriage between male and female as the foundation of the family and the basic unit of structure of human society. For this reason we believe that marriage is exclusively the union of one genetic male and one genetic female. Genesis 2:24; Matthew 19:5-6; Mark 10:6-9; Romans 1:26-27; 1 Corinthians 6:9.\*

(\*adapted from Samaritan's Purse statement of faith)

We believe a person's biological sexuality has been created by God and therefore should be accepted as a gift and stewardship from God and not altered (Genesis 1:27).\*\*

(\*\*adapted from BSF policy in human sexuality)

People that choose to belong to KACHEA agree with and abide by this policy. Those who have differing opinions on human sexuality and marriage will be treated with love and compassion, but will not be allowed to participate in KACHEA activities because of disagreement with the Word of God.

I have reviewed and agree to adhere to all of the above Code of Conduct. By signing this form, I certify that I am agreeing to the above statements.
